Dear Ms. Carlton:

The Division received an application for the Crandall Canyon Mine for an incidental boundary change of 120 acres to Federal Lease U-68082 on October 22, 2004. As part of the consultation for this project we are notifying you that you now have the opportunity to provide comments on the enclosed permit change pursuant to 30 CFR 944.30 Article VI, Part D, 30 CFR 740.4(c)(2) and 30 CFR 740.13 (c)(5) and (c)(6).

Please submit any comments on this permitting action by December 1, 2004. If we have not received any Forest Service comments by that date, we will consider that you have no comments on this application. If this permit change is determined by OSM to be a mining plan modification, we will notify you.

If you have any questions, please call me.

Sincerely,

Pamela Grubaugh-Littig
